**“O heavenly Father – Hear us, Hold us, Help us,  
Heal us. Deepen our faith in You so that we may  
better deal with whatever might be our lot today.**

**Make us always thankful for your ever-loving presence; and grant that  
we may become ever mindful of our place within your Kingdom here  
on earth, and be faithful stewards of the bounty  
you have bestowed upon us; Through our Lord, Father, Son and Holy  
Spirit who lives and reigns, One God, for ever and ever.**
